and advancement of bluegrass and related acoustic music.*

## Message From the VBA Board

*"I've laid around, and played around  
All this summer long  
Now it's almost gone  
Yeah, Autumn's coming on"*

Welcome back to a new VBA season everyone. We hope you all had a great summer break playing bluegrass music with your friends, and managed to take in some of the wonderful bluegrass festivals. After a bit of a hit or miss start to this summer's weather, we sure made up for it in August, didn't we? And September has given us the hottest days of the year so far!

The slow-pitch jams are underway at the hall again, and many thanks to Stephanie Moneo for offering to continue booking the hosts for these sessions. Although she is pleased to carry on this role, please do let her know if you are willing to help out this season.

The new VBA Board will be meeting for the first time later this month. We are looking forward to booking some exciting bluegrass feature acts for you, and working hard to keep the VBA a vibrant organization in the local acoustic music scene. We encourage you to get involved and volunteer in any way you can. We are always looking for people to help out in the kitchen, at our bluegrass jams and concerts, (*Editor's note: and the newsletter, too!*) etc. If you're interested, just let any of the board members know. It's much appreciated!

Our first concert at the hall will be on Tuesday, September 27th and will feature local stalwarts, Just Friends, headed by long time VBA member Eric Day, so plan on coming out and hearing some of your favourites done up right!

If you missed out getting a new VBA logo key chain, or a VBA "I Pick, Therefore I Jam" 'bumper' sticker before you headed out this past summer, we'll have them available at the hall.

It's good to be back. And remember.....**Keep on the Sunny Side!**

### Editor's Comments:

This newsletter is a shortened edition as some of the regular features just didn't make it to press on time! The truth is, I had a great bluegrass summer and am slow to get back into my frenetic fall and winter groove. But I promise to be back to business as usual starting with the October edition with all those articles you've come to enjoy. Cheers, y'all.

## Announcing a New Feature: VBA Classified Ads

Beginning next month, VBA members will be able to post classified ads in the newsletter. Space is limited, so, first come first served. We cannot guarantee that all ad requests will run, but will do our best. If you ran an ad the month before, preference will be given to someone posting a new ad. Your ad needs to be as brief as possible and may still be edited further to conform to the format. Instruments for sale, lost and found, music instruction, bands for hire, are some of the possibilities here. We've already received some requests that will run next month.
